

SCIENCE

Become a Rocket Scientist

Investigate a chemical reaction and launch a rocket! Follow the instruction sheet on Seesaw and check out what happens when you mix vinegar and bicarbonate of soda. What is the Science behind what happens? Video your experiment or bring in your rocket.

HUMANITIES (History, Geography, RE)

Where in the World?

On your world map, colour each of the 7 continents a different colour and label them. Use an atlas/the internet to find 5 countries that can be found on each continent (with the exception of one continent) and make a list.

OAK CLASS HOMEWORK - TERM 1

Please complete one piece of homework a week in addition to:

- Daily reading at home
- Learning weekly spellings
- Weekly Maths – posted separately every Thursday.

Please post homework to Seesaw by Tuesday.

CREATIVE DEVELOPMENT

(Drama, Music)

Stone Age Sounds

This is a homework for later in the term, although I know that some of you are word perfect with the first song already!
Please learn your lines and the songs for our Stone Age assembly. I will send out the script in Week 4 (wb 27.9.21) of the term.

PE and PSHE

Morning Motivator

Design a 5 minute exercise routine to start the day. Learn it well enough to teach it to the rest of the class or make a video Jo Wicks style. Think about any music you might want to accompany your routine.

CREATIVE DEVELOPMENT

(Art, Design Technology)

Get Knotting

We will be learning how to tie different knots in preparation for our shelter building. Get practising with this handy video:

<https://www.youtube.com/watch?v=5c5xl-3SnUU>

Please focus on the square knot, clove hitch, figure of 8 and taut line hitch (knots 1, 2, 3 & 5).

If possible, please do this homework by Week 3 of this term, as it will be really useful for what we are doing in class.

ENGLISH

Book Review

Have you read a great book lately? Would you recommend it to a friend?

Write a book review or make a video review using the questions on the example to help structure your thoughts. If writing, please write a paragraph for each section on lined paper and present in your best writing.
