Trinity CE Primary: School Uniform Policy

School Uniform Policy

Living, Learning, Growing Together

It is the Governors' policy that all children at Trinity School wear uniform in line with the Department for Education recommendations:

<https://www.gov.uk/government/publications/school-uniform>

At Trinity this has always been an area of school life in which there has been a great deal of support from children, parents and carers.

We think it is important for children to wear a school uniform in order to:

- Give them a sense of belonging
- Instill pride and promote the ethos of the school
- Ensure that they are smartly and appropriately dressed for school
- Reduce any form of distraction
- Promote equal opportunities and avoid 'one-upmanship' or social pressures

There is an expectation that children come to school dressed smartly. Fashion items are not considered appropriate.

All clothing and equipment needs to be clearly labelled with the child's name.

All Trinity CE Primary School uniform is stocked by Initially Yours, Yate.

Parents and carers should contact the school if there are any concerns with the policy or if there are any requirements or needs not mentioned in this policy. If there are any breaches in this policy then the children and parents and carers will be informed.
