Parents' Evening

Dear Parents and Carers

Due to current restrictions Parents' Evening will run in a different way to normal. You will have the opportunity to book a 10 minute phone call with your child's or children's teachers during the week beginning 12th October 2020. This will be to discuss how your child or children have settled back into school, information relating to assessment and a general wellbeing check. Some of the time slots will be during the day and some after school. You will be asked to book via the online system in the same way you do for face to face meetings. When booking, use the comments box to provide the best contact number for your day and time. Please note, as we only have two outgoing phone lines it may be necessary for some teachers to use their own device and hide the caller I.D.
